# OUR ETHICS

We're passionate about doing things the right way at AWDIs, which is why we use

WRAP (Worldwide Responsible Accredited Production) certified factories.

WRAP's "12 Principles" are based on accepted international workplace standards and regulations which encompass human resources management, health and safety, environmental practices, legal compliance including import/export and customs conformity, security standards and local laws.

WRAP has grown to become a global leader in social compliance. Its comprehensive inspection and certification process has made it the world's largest independent social compliance certification program for the apparel/textile industry.

We and our global partners have a shared commitment to fair and safe working practices throughout our supply chain. We recognize our responsibility to ensure the manufacturing methods used match the ideals of those that wear and love our products.
